FIFTY-SEVENTH CONGRESS.

Washington, April 25.-Senate-Just pefore the senate adjourned Thursday Mr. Rawlins (Utah) concluded his speech in opposition to the Philippine government bill. As on previous days, he devoted much of his time Thursday to a consideration of the testimony taken before the Philippine committee. The senate passed several unobjected measures of minor importance and a large number of private

pension bills. House—The house sent the oleomar-garine bill to conference after agreeing to the senate amendments with some modifications suggested by the agricultural committee. The opponents of the measure offered a number of amendments, the principal one of which was designed to place renovated butter on the same footing with oleomargarine, but they were overwhel-mingly voted down. The latter part of the day was devoted to the agricultural appropriation bill.

Washington, April 26. - Senate-Two speeches occupied the entire attention of the senate Friday. McCumber (N. D.) discussed his bill to prevent the misbranding and misrepresentation of food products which enter into inter-state commerce. Mr. Carmack (Tenn.), one of the minority members of the Philippine committee, spoke in opposition to the Philippine government bill now pending.

House-The house passed 145 private pension bills, including bills to pension the widow of the late Gen.
Wm. Ludlow at \$50 a month, and the difference of which are widow of the late "Parson" Brownlow, of Tennessee, at \$30 per month. The remainder of the day was devoted to general debate on the agricultural ap-

er a brief discussion Monday the senate agreed to the house amendments to the oleomarbarine bill as passed by the senate. The measure now goes to the president for his signature. An effort was made by Mr. Teller (Col.) to amend the measure so as to levy a tax of 10 per cent. on the capital or assets on any butter trust that might be formed, but it was defeated. Mr. Simmons (N. C.) addressed the returning. senate in opposition to an Philippine government bill. He denounced the 'cruelties and barbarities" alleged to have been committed on the natives by the American army. The conference report on the Chinese exclusion was adopted. Consideration of the civil sundry appropriation bill was be-

gun but not concluded.

House-Representative Sibley (Pa.) created something of a sensation in the house Monday during the general devate on the agricultural appropriation bill by severely denouncing Gen. Jacob H. Smith for the orders he is sued in the Samara campaign. Mr. Sibley's speech was enthusiastically applauded by the democrats and was received with some evidences of approval on the republican side. The speech was considered the more remarkatie in that it came from a republican who left the democratic party on the issues raised by the Spanish war and who since has been an ardent expansionist. Mr. Williams (dem. Miss.) endorsed what Mr. Sibley had said. Upon the conclusion of the general debate, slow progress was made with the bill, only 25 of the 49 pages disposed of

Washington, April 30.-Senate-A spirited discussion of the Philippine situation occurred in the senate. It revolved around the order alleged to have been issued by Gen. Jacob A. Smith to make the island of Samar a howling wilderness and to kill all male inhabitants over the age of 10 years. The debate took a wide range, however, and many other points were

House--Under a special order which allowed three hours' debate, but which cut off all opportunity of amendment the house passed an omnibus public building bill, which will distribute \$17,405,450, among 174 cities. As the bill covers into the treasury \$1,585,000 the total amount carried by the bill is reduced to that extent. The bill provides for 77 new buildings and sites, six buildings on sites already purchased, 17 buildings on donated sites and 58 increases in appropriation for buildings already authorized. It also provides for the purchase of

Washington, May 1.—Senate—A resolution offered in the senate Wednesday by Mr. Patterson (Col.), directing the secretary of war to order by cable Maj. Gardner, now in the Philippines, to come immediately to Washington to appear as a witness before the Phil ippine committee, precipitated a warm discussion. The debate continued for about two hours, considerable feeling being manifested on both sides of the chamber. The resolution finally went over until Thursday morning. The bill for the purchase of the Rosebud reservation in South Dakota and the sundry civil appropriation bills were considered, but no action was taken on them.

House-The house passed the agricultural appropriation bill and began consideration of the District of Columbia appropriation bill, the last but two of the regular supply measures. By the terms of a special rule adopted before the District bill was taken up it will be in order to attach a rider to t to make operative the existing per sonal tax law of the District, which has been a dead letter for 20 years. Chairman Cannon estimated that there was \$100,000,000 of untaxed personal property in Washington. The Goldfogle resolution calling on the secretary of state for information as to whether American citizens of Jewish faith were excluded from Russia, was

Why They Laughed,

This is one of the stories told of the recent grand opera engagement in Boston:
During a presentation of "Tosca" a number of Italians, sitting in a box, became convulsed with laughter. As Ternina was in the midst of her impassioned love song to Mario the people about them first wondered what they were laughing at, and then became incensed at the foreigners. Finalbecame incensed at the foreigners. Finally an usher was sent to find out the reaon of so much hilarity. One of them said:
"Do you know what Ternina is singing?"
"No," answered the attendant.

"No," answered the attendant.
"Well, instead of a love song, she is singing in impassioned accents: 'Don't turn around; your trousers are torn. Don't turn around; your trousers are torn.'"—Washington Star.

All on the Bill of Fare.

Col. Sam Reed was breakfasting at Delmonico's. After looking over the French menu he said to the waiter:

"You may bring me some eggs blushing like Aurora, and some breeches in the royal fashion, with velvet sauce, and for dessert be sure you bring a stew of good Christians and a mouthful of ladies."

The astonicade waiter said: The astonished waiter said:

"Sir, we don't serve such dishes."

"Yes, you do," said the guest, pointing to the bill of fare. "Oeufs a la Aurore—culottes la royale sacque velout—compote de bon cretients—bouchee de dames."

"All right," said the waiter; "ready in two minutes, sir."—What to Eat.

MEALTMANDALLITS BLESSINGS

Health will come with all its blessings to those who know the way, and it is mainly a question of right-living, with all the term implies, but the efforts which strengthen the system, the games which refresh and the foods which nourish are important, each in a way, while it is also advantageous to have knowledge of the best methods of promoting freedom from unsanitary conditions. To assist nature, when nature needs assistance, it is all important that the medicinal agents used should be of the best quality and of known value, and the one remedy which acts most beneficially and pleasantly, as a laxative, is-Syrup of Figs-manufactured by the California Fig Syrup Co.

With a proper understanding of the fact that many physical ills are of a transient character and yield promptly to the gentle action of Syrup of Figs, gladness and comfort come to the heart, and if one would remove the torpor and strain and congestion attendant upon a constipated condition of the system, take Syrup of Figs and enjoy freedom from the aches and pains, the colds and headaches and the depression due to inactivity of the bowels. In case of any organic trouble it is well to consult a competent physician, but when a laxative is required remember that the most permanently gratifying results will follow personal cooperation with the beneficial effects of Syrup of Figs. It is for sale by all reliable druggists. Price fifty cents per bottle.

The excellence of Syrup of Figs comes from the beneficial effects of the plants used in the combination and also from the method of manufacture which ensures that perfect purity and uniformity of product essential in a perfect family laxative. All the members of the family from the youngest to the most advanced in years may use it whenever a laxative is needed and share alike in its beneficial effects. We do not claim that Syrup of Figs is the only remedy of known value, but it possesses this great advantage over all other laxatives that it acts gently and pleasantly without disturbing natural functions, in any way, as it is free from every objectionable quality or substance. To get its beneficial effects it is always necessary to buy the genuine and the full name of the Co.-California Fig Syrup Co.-is printed on the front of every
